

Dec 8 2004

Dear Debbie Carn,

I am PFC Chamberlain and I want to thank you for the wonderful package you sent me. I do fully understand the time and thought including the price you and others have put into it. It has really made a better Christmas than I thought I was going to get. By the time this letter gets to you Christmas will have passed so all I can say now is hope you and your family had a merry one

Thank You
PFC Chamb
