

Dear Mr. Cain and company,

I'm very grateful for the package you sent, and ask only that games are sent (pocket games, Yu-Gi-Oh! booster packs, and a Gameboy Advance with some batteries. Some of the snacks didn't make the trip to well, but the rest did and I'd like some more please.

I  
these  
all,

forward to more of  
you, and thank you  
I have done.

signed,

Arthur David
